About the yacht

Antila 30.1 "Bradl" is one of the most comfortable yachts in the 10-metre segment available in Masuria. Compared with the classic Antila 30 , version 30.1 offers a higher mast and a larger sail plan, which translates into clearly better performance under sail. It is an excellent choice for crews looking for a sailing yacht that combines a higher standard with even more pleasure on the water.

This yacht suits crews who want to combine onboard comfort with the real enjoyment of sailing. You can find the charter price for Antila 30.1 „Bradl” in our price list.

Below deck there are three lockable double cabins and a spacious saloon. That layout gives you a real sense of privacy even with a larger crew and works very well on multi-day cruises in Masuria.

Technical data
