About the yacht

The Antila 28.2 is a modern, high-end cruising yacht designed for comfortable recreational sailing while maintaining excellent maneuverability. It is a larger and more advanced model than the Antila 27, offering more space, a larger sail area, and extensive deck equipment.

It works well both during week-long family cruises and in more demanding weather conditions.

Under the deck there is **a spacious saloon**, **three lockable cabins** and **The fully equipped galley**. The interior layout lets several people use it comfortably at the same time – preparing a meal, getting changed or resting do not get in each other's way.
