About the yacht

Antila 33 "Strega" is a cabin yacht from 2019, designed for comfortable tourism along the Great Masurian Lakes Trail. The Antila 33 model is valued for its very good nautical properties, stability and spacious, functional interior layout.

‘Strega’ has a traditional charter specification with the equipment needed for a comfortable cruise. The Antila 33 and Antila 33.3 are Antila Yachts models registered to carry ten people.

The yacht has three enclosed double cabins and additional sleeping places in the saloon. The arrangement ensures a comfortable division of space for 8 people and works well both during a family charter and a cruise with friends.
