About the yacht

Antila 34 ‘Eco Sailing’ is a 2026 cabin yacht equipped for charter in Masuria. Its specification suits both longer cruises and relaxed recreational sailing. A key feature is its **fully electric propulsion**, providing quiet operation for up to eight hours, depending on conditions, while leaving more space in the aft cabins. The yacht also has a **self-tacking jib**, making sail handling easier, including when sailing short-handed.

‘Eco Sailing’ has three enclosed double cabins and additional sleeping space in the saloon. This layout gives the crew flexibility and works well on longer cruises.

The interior has been configured for comfortable use, which is why on board there is, among others:

Technical data
